A Message from Our Head Girl and IDEAL Club Chairperson, Lily Massey ✨

Hi everyone,

I'm so glad to see you all here today to celebrate our Stand Up Week. Stand Up Week is a very important week in our school, it is here to raise awareness to issues like bullying, discrimination and harassment. But it also encourages inclusion and empathy towards all members of our school community.

Weeks like Stand Up Week and upcoming culture week are so necessary and important so that every single member of this school community feels the support and respect they deserve.

I would like to thank Ms. Doherty and Mrs. Murphy for all the hard and unseen work they do to make this week in our school a success. I would also like to thank them for all their work and help in our school's Ideal Club. And to Mrs. Gray and Mrs. Howard for their support.

Every person in this school deserves to feel the support of their school community, so thank you all for coming today and participating in Stand Up Week this year. Thank you, have a nice day!
