# IMPROVE YOUR 'CÚPLA FOCAL' - INTERMEDIATE LEVEL

with *Brian Ó Gráinne*

SINGFONAIC

Is múinteoir bun scoile mé agus tá neart taithí agam bheith ag múineadh i nGaelscoileanna, Scoileanna Ghaeltachta agus i Scoileanna Náisiúnta. Chrúthaigh mé féin agus cara liom clárfónaice Gaeilge ar líne; SingFónaic ceithre bliana ó shin. Cuidíonn clár SingFónaic le páistí agus tuismitheoirí an 40 fóinéim Gaeilge a fhoghlaim agus a fhuaimniú tré leibhéal fónaiceórasacha, carachtair grinn, liostaí deachtuithe, cluichí, rainn, amhráin agus dánta. Tá taithí agam bheith ag reachtáil Ciorcal Cainte darbh ainm 'Cúpla Focal' i Steach Maoláin, Co. na Mído dhaoine fásta.

This webinar series is a follow on from the Beginner's course, or for anyone who feels more confident with their level of Gaeilge.

The focus will be on **improving basic conversation** 'as Gaeilge' and you will learn about the similarities and differences in syntax between English and Gaeilge.

Over two sessions, we will focus on basic pronunciation, grammar, conversation and fun games. We will use the following resources to aid your learning; [teg.ie](http://teg.ie), [singfonaic.ie](http://singfonaic.ie) & [tearma.ie](http://tearma.ie)
